Cynthia Chatterjee, MD  
Dustin DeYoung, MD  
Murtuza Ghadiali, MD  
Jeremy Martinez, MD  
John W. Tsuang, MD, MS

## JOIN US IN SAN FRANCISCO

**2017** marks a major step forward for the field of addiction medicine. Starting in the fall of 2017, the American Board of Preventive Medicine will offer physicians the opportunity to become board certified in the subspecialty of addiction medicine. At the same time, addiction treatment is becoming more widely available and more primary care physicians are integrating addiction treatment into their practice.

This course will prepare the first group of physicians to sit for the new Board Exam. It will also provide the essential elements needed by primary care physicians who want to integrate addiction treatment in their practices.

Our conference starts with a keynote address from **Michael Botticelli**, Director of the Office of National Drug Control Policy under President Obama, who will share his personal story of recovery and his perspective on the challenges ahead. Throughout the rest of the conference nationally recognized experts, clinician, and educators will present the core content of addiction medicine. Participants will apply their learning in facilitated case discussions and the use of an audience response system.

The Board Exam Preparation Track complements the Review Course. In the past this option has made it possible for attendees at the CSAM conference to obtain a pass rate of over 90%.

Thursday will feature workshops allowing participants to explore topics of interest in a smaller setting.

As always, we carry on a CSAM tradition of promoting collegiality and physician interaction. The Friday night dessert reception will feature and honor Morgan Fawcett, a young Alaska Native living with Fetal Alcohol Spectrum Disorder FASD. Morgan will recount his inspiring story and his campaign to bring awareness to and fight the stigma of FASD and thrill us with a performance on the Native American flute. Saturday evening will feature a reception while allowing time for participants to explore what makes San Francisco one of the top destinations for travellers around the globe.

Whether you are preparing for the Board Exam, refreshing your knowledge of the field, or deepening your understanding of the diagnosis and treatment of addictions, you are in for an educationally rich and rewarding experience.

— Ingeborg S. Schafhalter-Zoppoth, MD  
Conference Chair

## WHO SHOULD ATTEND?

- Practicing physicians in both primary care and other specialty fields seeking an introduction to the full spectrum of substance use disorders, their diagnosis and appropriate management.
- Physicians preparing for the Addiction Medicine Board Examination requiring an overview of the core elements of addiction medicine in a way that allows them to identify the areas where they may need more study.
- Physicians in the field who want a refresher course based on the latest clinical research.
- Other health care professionals, including psychologists, therapists, nurses and drug abuse counselors, who are involved in the treatment of patients with substance use disorders.

# ADDICTION MEDICINE BOARD EXAM PREPARATION TRACK

## THURSDAY AFTERNOON – SUNDAY MORNING (ADDITIONAL FEE)

The Board Exam Preparation Track is designed to complement the Review Course for those taking the Addiction Medicine Board Exam from the American Board of Preventive Medicine. Those taking the Board Exam Preparation Track must also take the Review Course. It consists of 3 elements: 1) Interactive Self-Assessment featuring 700 board-style questions; 2) Addiction Medicine Study Guide with high value exam preparation material organized by topic (upon registration participants receive access to 1 and 2); and 3) 7 hours of live interactive lectures at the Review Course.

## CREDIT

The California Society of Addiction Medicine (CSAM) is accredited by the Institute for Medical Quality/California Medical Association to provide continuing medical education for physicians. CSAM takes responsibility for the content, quality and scientific integrity of this CME activity.

CSAM designates this live educational activity for a maximum of 26 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This credit may also be applied to the CMA Certification in Continuing Medical Education.

**Review Course:** 19 Units (Friday: 7.5; Saturday: 7.25; Sunday: 4.25)

**Pre-Conference Workshops:** 7 units (3.5 for morning workshop; 3.5 for afternoon workshop; 7 for full-day workshop)

**Interactive Self-Assessment (online material):** 15 units.

### Maintenance of Certification (MOC)

The conference has applied for MOC Credit from the American Board of Addiction Medicine, the American Board of Internal Medicine, and the American Board of Psychiatry and Neurology.

AAFP Prescribed Credit is pending.

CEU Credit is available for psychologists, therapists, drug abuse counselors, nurses and physician assistants.

*(More information online).*

## Conference Materials

All registrants will receive access to an electronic version of the conference syllabus. There is a \$75 charge for a print copy of the syllabus.

A conference app will allow review of PowerPoint slides and speaker materials, taking notes during sessions, accessing the conference schedule, browsing the list of conference attendees and exhibitors, engaging in social media, and more!

After the conference, all full conference registrants will have free access to the speaker presentations (audio synced to slides, mp3 files, and handouts).

## Special Conference Activities

### Dessert Reception

Friday 8:00 PM. Guests welcome, included in registration fee

### David Smith, MD on 50 Years of the Haight Ashbury Free Clinics

Friday 12:30 PM

### Hors d'oeuvre and Networking Reception

Saturday 6:30 PM. Included in registration fee; guests \$50

### 12-Step/Mutual Help Meetings

Held every day at 7:00 AM and 9:00 PM

### Yoga/Zumba Classes

Saturday and Sunday mornings

### CSAM Theater

Short films and informational videos

## Scholarships and Poster Submissions

The Medical Education & Research Foundation (MERF) provides a limited number of scholarships to both physicians-in-training and teaching faculty. Scholars actively participate in mentored learning experiences throughout the conference. The deadline to apply for a scholarship will be in June 2017. The application and more information are available at: <http://merfweb.org>

In addition, those who are involved in medical education or practice-based clinical research are invited to submit abstracts for posters to be displayed at the conference. These can be posters that have been presented at other conferences. For more information on submissions go to [www.MERFweb.org](http://www.MERFweb.org) or contact [merfadmin@gmail.com](mailto:merfadmin@gmail.com).

## Hotel/Travel

The conference hotel is the San Francisco Hilton Union Square. There are a limited number of rooms available at the conference rate of \$235 for a single or double room through July 23, 2017. Please call 415-771-1400 for a reservation and make sure that you mention the CSAM Addiction Medicine Review Course to get the special rate. If you wait until near the July 23, 2017 deadline, there is no guarantee that rooms will still be available.

The nearest airport to the hotel is San Francisco International. Rapid Transit (BART) runs from the airport to one block from the hotel.

# PRE-CONFERENCE WORKSHOPS

THURSDAY (ADDITIONAL FEE)

Workshops can be taken with the Review Course or as stand alone workshops.  
Workshops run concurrently and are not designed specifically as Board Exam preparation.

## FULL DAY WORKSHOP (8:30 AM to 5:00 PM)

### Stories and Strategies to Engage Providers and Address Burnout

The effort required to practice medicine often exceeds the rewards. What can we do in our organizations to restore the balance? In this workshop, experts in building professional and personal satisfaction will provide tools to address and evaluate burnout, highlight programs that foster effective leadership, and identify organizational strategies to increase participation in collaborative solutions. (Workshop Planners: Karen Miotto, MD, Chair; William Brostoff, MD; Py Driscoll, MD; Matt Goldenberg, DO)

Stephen C. Beeson, MD, Founder of the Physician Effectiveness Project and Medical Director, Studer Group | Christina Maslach, PhD, Professor of Psychology, University of California, Berkeley | Julie G. Nyquist, PhD, Professor, Department of Medical Education, Keck School of Medicine, University of Southern California | David Pating, MD, Chief of Addiction Medicine, Kaiser Permanente Medical Center, San Francisco.

## MORNING WORKSHOPS (8:30 AM – 12:00 noon)

### Marijuana in California: The Shape of Things to Come

Proposition 64 legalized recreational marijuana use in California and a regulatory framework is now under development. This workshop will address pivotal questions related to youth prevention and early intervention, and empower addiction physicians to be leaders in this rapidly evolving arena. (Workshop Planners: Itai Danovitch, MD; Amer Raheemullah, MD)

Speakers: Seth Ammerman, MD, Clinical Professor, Pediatrics - Adolescent Medicine, Stanford University School of Medicine / Lucile Packard Children's Hospital | Ken Berrick, CEO Seneca Center for Children and Families | Elizabeth J. D'Amico, PhD, Senior Behavioral Scientist, RAND Corporation | Beau Kilmer, PhD, Co-director, RAND Drug Policy Research Center

### No "Difficult" Patients: Strategies to Realign the Physician-Patient Experience in Buprenorphine Treatment

Buprenorphine providers generally have several inspiring stories of success. This workshop is for providers with patient experiences that do not fit this narrative. Experts will provide methods to increase participants' confidence in addressing ongoing drug use, attendance issues, self-escalation of doses, and interpersonal conflict among patients they are treating with buprenorphine. (Workshop Planners: Scott Steiger, MD; Tauheed Zaman, MD)

Anna Lembke, MD, Director, Stanford Addiction Medicine Program and Chief, Stanford Addiction Medicine Clinic, Stanford University School of Medicine | Paula Lum, MD, Professor of Medicine, HIV, ID, and Global Medicine Division, UC San Francisco | David Kan, MD, Private Practice of Psychiatry, Addiction Psychiatry and Forensic Psychiatry, Walnut Creek | Scott Steiger, MD, Associate Professor of Clinical Medicine, Deputy Medical Director, Opiate Patient Outpatient Program, UCSF School of Medicine

### What Now? Advancing Systems of Addiction Care in a Challenging Political Environment

This workshop will examine the current political context for addiction medicine and integrated systems of care and discuss advancing the delivery of addiction treatment in this context. Panelists will include experts in federal and California state policy, and senior leaders of regional health systems. (Workshop Planners: Brian Hurley, MD, MBA, DFASAM; Caroline Corriveau, MD)

H. Westley Clark, MD, JD, MPH, CAS, DFASAM, Dean's Executive Professor at Public Health Program, Santa Clara University | David Pating, MD, Chief of Addiction Medicine, Kaiser Medical Center, San Francisco | Kelly Pfeifer, MD, Director of High Value-Care, California Health Care Foundation | Roderick Shaner, MD, Medical Director, County of Los Angeles Department of Mental Health

### Addiction and Criminal Justice Reform: Shifting the Paradigm

Mass incarceration is a public health crisis. Over half of U.S. prisoners have an untreated substance use disorder. How have public health and criminal justice advocates responded to this epidemic? This workshop will explore emerging best practices, policy debates, and opportunities for cross-sector partnership and reform. (Workshop Planner: Lello Tesema, MD, MSHS)

Martin Epton, MD, JD, MTS, Assistant Clinical Professor of Psychiatry, UC San Francisco; Staff Psychiatrist, San Francisco VA Veterans Justice Outreach/ Veterans' Justice Court | Lindsay LaSalle, JD, Senior Staff Attorney, Drug Policy Alliance | Kris Nyrop, Project LEAD (Law Enforcement Assisted Diversion); National Support Director, Public Defender Association | Shira Shavit, MD, Associate Clinical Professor of Family Medicine, UC San Francisco; Executive Director, Transitions Clinic, San Francisco

## AFTERNOON WORKSHOPS (1:30 PM – 5:00 PM)

### Motivational Interviewing for Busy Clinicians

This workshop will review and teach motivational interviewing (MI) tools for treating unhealthy alcohol and drug use as well as for promoting behavior change in primary care and other specialties. Emphasis will be on mentored small group learning, clinical skills acquisition and practice. All participants will develop continuing learning plans to increase proficiency.

Ken Saffier, MD, Family and Addiction Medicine Physician, Contra Costa Regional Medical Center; Clinical Professor, Department of Family and Community Medicine, UCSF; Member, Motivational Interviewing Network of Trainers | Ana-Catalina Triana, MD, Associate Program Director, John Muir Health/UCSF Family Medicine Residency; Member, Motivational Interviewing Network of Trainers

## ADDICTION MEDICINE BOARD EXAM PREPARATION TRACK (1:30 PM – 5:30 PM)

# ADDICTION MEDICINE REVIEW COURSE

## FRIDAY – SUNDAY

The three-day Review Course presents an overview of the core elements of addiction medicine, presented by top experts in the field. Participants sit at tables with a facilitator who will guide case discussions and answer questions.

### FRIDAY, AUGUST 25

#### 7:00 AM Board Exam Preparation Track

#### Plenary

##### 8:30 AM Welcome and Introduction

Ingeborg Schafhalter-Zoppoth, MD, Conference Chair

##### 8:40 AM The Role of Personal Narrative in Changing Drug Policy

Michael Botticelli, BS, MEd, Executive Director of the Grayken Center for Addiction Medicine at Boston Medical Center; Distinguished Policy Scholar, Johns Hopkins School of Public Health; former Director of National Drug Control Policy

##### 9:30 AM Case Discussion

##### 10:05 AM Break with Exhibitors

##### 10:25 AM Opioids

Andrew Saxon, MD, Professor, Department of Psychiatry and Behavioral Sciences, University of Washington; Director, Center of Excellence in Substance Abuse Treatment and Education, VA Puget Sound Health Care System

##### 11:30 AM Pain and Addiction

Daniel Alford, MD, MPH, Professor of Medicine, Director, Clinical Addiction Research and Education Unit, Director, SCOPE of Pain Program, Boston University School of Medicine

#### 12:20 PM Break for Lunch

##### Regional Networking Lunch

(Grab a lunch and meet with colleagues from your locale)

##### 50 Years of the Haight Ashbury Free Clinics and Reflections on the Origins of CSAM. David Smith, MD

##### 1:45 PM Alcohol

Anthony P. Albanese, MD, Chief of Hepatology, Northern California VA Healthcare System, Clinical Professor of Medicine & Psychiatry, UC Davis

##### 2:45 PM Cannabis

Tauheed Zaman, MD, Director, Addiction Consult and Prescription Opioid Safety Team, San Francisco VA Medical Center, UCSF

##### 3:35 PM Case Discussion

##### 4:05 PM Break with Exhibitors

##### 4:25 PM Adolescent Substance Use

Seth Ammerman, MD, Clinical Professor, Pediatrics / Adolescent Medicine, Stanford University School of Medicine/Lucille Packard Children's Hospital

##### 5:20 PM Ethics and Confidentiality

David Y Kan, MD, Private Practice of Psychiatry, Addiction Psychiatry and Forensic Psychiatry, Walnut Creek

##### 6:00 PM Adjourn for the day

##### 8:00 PM Dessert Reception

Morgan Fawcett, a young Alaska Native living with Fetal Alcohol Spectrum will recount his inspiring story and his campaign to bring awareness to and fight the stigma of FASD.

“ It provided information I need in a well-organized, supportive environment. It included group discussions where I met others who face the same clinical challenges. A delightful way to learn. ”

“ Great exam prep coupled with great small group case discussions and great scientific update for practical individualized treatment. ”

REGISTER ONLINE AT [CSAM-ASAM.ORG](http://CSAM-ASAM.ORG)

## SATURDAY, AUGUST 26

Presentation of the Vernelle Fox and Community Service Awards.

### 7:00 AM Board Exam Preparation Track

#### Plenary

**8:30 AM Update on Addiction Medicine Board Certification**  
Kevin Kunz, MD, MPH, Executive Vice-President, Addiction Medicine Foundation

**8:45 AM Neurobiology of Addiction**  
George Koob, PhD, Director, National Institute on Alcohol Abuse and Alcoholism

**9:45 AM Case Discussion**

**10:15 AM Break with Exhibitors**

**10:35 AM Stimulants: Cocaine and Amphetamines**  
Petros Levounis, MD, MA, Professor and Chair, Department of Psychiatry, Rutgers New Jersey Medical School

**11:30 AM President's Message**  
Monika Koch, MD, President, CSAM

**11:40 AM Clinician-Assisted Tobacco Cessation**  
Smita Das, MD, PhD, MPH, Clinical Assistant Professor (Affiliate), Psychiatry and Behavioral Sciences, Stanford University School of Medicine

**12:35 PM Break for Lunch**  
**Annual Meeting of CSAM Members** (Non-members may attend).  
**CSAM Theater**

**2:00 PM Co-occurring Substance Use and Mental Disorders**  
Steven J. Eickelberg, MD, Chief Medical Officer, Sierra Tucson; President, MERF

**3:00 PM Behavioral Treatments: Engaging Patients from Diagnosis to Recovery**  
Sharone Ann Abramowitz, MD, Integrative Psychiatry and Addiction Medicine

**3:45 PM Case Discussion**

**4:15 PM Break with Exhibitors**

**4:35 PM 12-Step/Mutual Help Groups in Addiction Recovery**  
Keith Humphreys, PhD, Professor of Psychiatry and Behavioral Sciences, Stanford University School of Medicine

**5:15 PM Panel: Quality Improvement in Addiction Medicine: Challenge or Chore?**  
Lei Choi, MD, MPH, Medical Director, UCSF Lean Healthcare; Priscilla Hunt, PhD, Professor, Pardee RAND Graduate School; Katherine Watkins, MD, MSHS, Private Practice, Psychiatry, West Los Angeles  
Moderator: Ingeborg Schafhalter-Zoppoth, MD, Associate Director, Family Health Clinic, California Pacific Medical Center

**6:15 PM Adjourn for the day**

**6:30 PM - 7:30 PM Networking Reception**  
Join your colleagues for hors d'oeuvres and conversation. Afterward you are on your own to enjoy the world famous cuisine of San Francisco.

**8:00 PM Open Mutual Help Meeting**  
Non-participants are invited to observe.

## SUNDAY, AUGUST 27

### 7:00 AM Board Exam Preparation Track

#### Plenary

**8:30 AM Substance Use in Pregnancy**  
Mishka Terplan, MD, MPH, Medical Director, Behavioral Health System Baltimore, University of Maryland Department of Epidemiology and Public Health

**9:20 AM Club Drugs and Hallucinogens**  
John Long H. Nguyen, MD, Associate Medical Director, Crisis, Residential, and Substance Use Services, Austin Travis County Integral Care

**10:20 AM Case Discussion**

**10:50 AM Break**

**11:05 AM Benzodiazepines: The Hidden Epidemic**  
Richard K. Ries, MD, Professor of Psychiatry and Director of Addictions Division, University of Washington Medical School

**11:55 AM Emergency Department Presentations of Substance Use**  
Craig Smollin, MD, Associate Clinical Professor of Emergency Medicine, UCSF School of Medicine

**12:45 PM Adjourn**

## EDUCATIONAL OBJECTIVES

Upon completion of this course, participants should be able to:

- Recognize the effects of alcohol, tobacco, and other drugs in both tolerant and non-tolerant individuals;
- Understand the basic neurobiological, behavioral, and genetic mechanisms of addiction;
- Describe the main drugs of abuse, their pharmacology, and specifics associated with the diagnosis, detoxification, and treatment for each, and apply in clinical situations;
- Apply in treatment an understanding of the main features of related psychological disorders seen in patients suffering from substance abuse disorders.
